A list of statewide retention candidates was obtained via the Secretary of State's web site. Criminal Court candidates were identified by calling all judicial districts. Questionnaires were sent by certified mail on June 6, 2006. Each candidate was given until June 15, 2006 to respond in writing.

Some candidates elected not to respond to this survey, and others sent letters instead of responding. Those letters can be read in their entirety on our web site, [www.factn.org](http://www.factn.org).

*Remember to vote  
on Thursday, August 3.*
