Vote Righteousness

As we approach the voting booth to elect those who will lead our nation, there are many issues that vie for our attention, that cry out “this is the most important issue.” Six months ago, polls pointed to the war in Iraq. But like sifting sands, that critical issue has now given way to the economy. But what place should the economy have in deciding which of the Presidential and Congressional candidates we should vote for?

God’s Word says it is righteousness, not the economy, that exalts a nation and merits his blessing. It is not that the “economic things” are unimportant. In Matthew 6:32 Jesus says, “Your heavenly father knows you have need of these things. But he adds, “Seek you first the kingdom of God and His *righteousness*, and all these other *things* will be added unto you.”

With the Ten Commandments as our guide to righteousness, we note that one commandment came with a promise: “Honor your father and your mother, that your days may be long in the land ...” Underlying this command is the structure of the family – fathers, mothers and their children. Candidates who do not see the foundational importance of marriage and see children as disposable cannot promote the kind of righteous society that God can exalt. So as we vote, let us make sure our candidates’ positions are righteous on important issues like family, marriage and life. Then let’s trust God for these “other things.”
